Bonjour! (did I say that right?) 6:45 PM

Salut Luke! Yes, you said that perfectly. 7:45 PM

Oh phew, I was nervous I forgot all of my elementary French 😅. Glad to have my skills validated by a true French expert. 7:47 PM

Haha, congratulations! You remembered the basic first word every French speaking wannabe learns 😂. If you need any help remembering anything past page one, I'm here to help. 7:49 PM

Merci (see, I remember page 2). 8:10 AM

Once we're done with your French lessons, I can give you a lesson on which sports teams to cheer for. unfortunately the Sens are not the correct answer, just in case that's what you're thinking. 8:12 AM

If you must know, my loyalties actually lie with the habs as well. Long running family tradition, but I appreciate you looking out for my education. 8:14 AM

I gotta say, I'm relieved to hear this. Maybe that means our next French lesson will have to be conducted at the Habs "library" 🤔 5:05 PM

It's a date 😉. Is it customary to show up with a baguette and beret? 5:06 PM

😂😂 We don't do that here. Have you been to Quebec before? Show up looking like that and you'll get jumped 5:21 PM

Oh you guys are actually that serious then, I thought it was just a myth 🤔. I've been just once, on a school trip. My elementary French royally failed me then also. Too bad you weren't around to save this damsel in distress. Ward off the angry Parisian-lites with your mighty 🥖. 5:23 PM

There's a habs game next week Sunday, if you're free for a study sesh. 5:24 PM

Absolument! Let's meet at 5:00 for pre-study drinks? I'll find us a place and let you know. 5:31 PM
